About

Princeton University is a private Ivy League research university in Princeton, New Jersey. Founded in 1746, Princeton is the fourth-oldest institution of higher education in the United States. From 2001 to 2018, Princeton University was ranked either first or second among national universities by U.S. News & World Report. In 2019, Princeton is ranked 13th in the QS World University Rankings. As of October 2018, 65 Nobel laureates, 15 Fields Medalists and 13 Turing Award laureates have been affiliated with Princeton University as alumni, faculty members or researchers.

Princeton is one of the world's foremost research universities, and has educated two US presidents, James Madison and Woodrow Wilson. Other distinguished graduates include Michelle Obama, actors Jimmy Stewart and David Duchovny, Google chairman Eric Schmidt and Apollo astronaut Pete Conrad.

Princeton is renowned for the spectacular greenery of its campus and for the architectural splendor of some of its landmark buildings, such as its Lewis Library, which was designed by Frank Gehry. Its student body is relatively small, with fewer than 10,000 enrolled in total,
