

## About

The **University of California, Los Angeles (UCLA)** is a public research university in Los Angeles. UCLA is considered one of the country's Public Ivies, meaning that it is a public university thought to provide a quality of education comparable with that of the Ivy League. In 2018, US News & World Report named UCLA the best public university in the United States. As of 2017, 24 Nobel laureates, three Fields Medalists, and five Turing Award winners, and two Chief Scientists of the U.S. Air Force have been affiliated with UCLA as faculty, researchers, or alumni. UCLA is ranked 32nd in the QS World university Rankings in 2019.
