## Congratulations to the "Best Place to Work" Award

#1 in Education and Consulting in 2020

71,460 professionals were asked to measure the attractiveness of Employer Brands in Vietnam and overall Vingroup ranks 11 in this pretious ranking. VinUni and VinSchool together win the "Best Place to Work" award for its most ideal working environment in the field of Education - Consulting (within the Service Industry).

Even though only newly established in 2019, VinUni has already attracted a team of highly respected professors and professionals thanks to its rigorous curriculum, the modern facilities, as well as the mission of "Developing future leaders for Vietnam". We are a young university but focus on building a dynamic and creative environment to foster growth and development for all employees. Congratulations and thank you to all VinUni leaders, faculties and staff! You all are what makes the culture of our University, and you all are the representatives of the brand that VinUni is very proud of!

## Upcoming Events

**October 30th at 6-9PM** - SAM would like to invite all faculties and staffs to participate in Halloween Event: The Devil's Night. Hosted by VinUni Events Club, VinMaker Society, and On-set Club, the event takes place in VinUni dorm where you can enjoy an exhibition, a Halloween costume contest, and big game.

**November 4th at 4.30PM** - Orientation workshop on Vingroup updates, VinUni governance structure, and VinUni stories for new faculties and staffs

*Reminder:* Please send your department news by end of day on Friday to [humanresources@vinuni.edu.vn](mailto:humanresources@vinuni.edu.vn)

# Key Highlights

**O.A.S.I.S** - Agile Innovation class by Professor Duong Nguyen Vu made a great inspiration to faculties and students. Students were challenged to use an abstract or metaphor to describe their turning point. The stories deeply touched everyone's heart and gave some insights into the students' personalities, as well as their way of thinking. We believe this class is an invaluable experience, not only to students to feel more connected to their peers, but also the faculties to understand our students better.

**CHS** - Medical Simulation Center successfully conducted 03 renewal Advanced cardiovascular life support (ACLS) courses for 30 doctors and nurses of Vinmec Phu Quoc and Vinmec Central Park.

**Operations & Finance Dept.** - Conducted 02 workshops on Purchasing and Payment policy & procedure.

## THIS MONTH'S FEATURED PHOTO

VinUni gentlemen hand wrapped the flowers and delivered to our ladies on Vietnamese Women's Day 20/10
