MAKE THE CHANGE

Greetings from VinUniversity!

VinUniversity is the latest successful effort culminating from the vibrant bustling business environment of Vietnam, the start-up spirit of a nationally leading conglomerate, and the essence of excellence in education. We do not simply educate students, but indeed aim to develop future leaders for the world.

As Vietnam becomes a dynamic economy full of opportunities and growth with a welcoming atmosphere for experts, VinUniversity strives to create an engine of change that propels exciting ideas and technological innovations universally.

Beyond state-of-the-art classrooms, VinUniversity boasts a residential life where students live-learn and develop holistically through activities. Additionally, our faculty advisors work very closely with students, to help you not only with course materials and academic progress, but also to ensure your safe, comfortable, and socially successful integration into our multicultural campus, and a promising professional career.

In order to create a university of excellence, VinUniversity leaders have built relationships with two of the world's best universities: Cornell University and the University of Pennsylvania (UPenn) — a choice that speaks to our commitment to excellence, innovation in research and teaching, and to making a difference in the world. These valuable relationships will help us to establish our faculty and leadership teams, to validate and assure the quality of the curriculum, to guide the University on a path of international accreditation and offer VinUni students opportunities to intern and study with our partners in Vietnam and abroad.

VinUniversity proactively seeks to develop lasting collaborative relationships with leading universities and institutions around the world for academic development activities including, but not limited to, the exchange of students, academic and administrative human resources, cooperation in joint research and teaching activities, and joint academic programs.

We look forward to welcoming you as a **partner** of VinUniversity!

Academic Engagement & Global Exchange Department

OVERVIEW OF VINUNI

VISION	VinUniversity, a private, not-for-profit Vietnamese university, is built according to international standards, incorporating the finest models of global higher education. Its objective is to create a breakthrough in the quality of higher education in Vietnam and achieve global recognition within 30 years of its establishment.

MISSION	The mission of VinUniversity is to train a talented workforce with expertise, skills, personal development, and a dedication to achieving the highest possible effectiveness, contributing to the prosperity of individuals, society, and making a positive impact on the global knowledge-based economy.

CORE VALUE	**EXCELLENCE** University of excellence, developing talents for the future

▶ GLOBAL EXCHANGE PROGRAMS

Fast Track Integrated Degree Programs

VinUniversity students can pursue an integrated program at those among the most prestigious universities in the world. After 5 or 5.5 years, students receive a Bachelor's degree from VinUniversity and a Master's degree from an international university. When studying abroad in a STEM subject, students have a great chance of applying for the Vingroup Science and Technology Scholarship Program. Or after four years, students receive a Bachelor's degree from VinUniversity and a Bachelor's degree from an international university.

Outbound Exchange Programs

All VinUni students have the opportunity to spend a semester/a short term at reputable international universities to gain global experiences, both academic and real-life, without extra tuition fees. Students with financial need have a chance to get further support for accommodation and living expenses.

Inbound Exchange Programs

International students can spend a semester/short term at VinUni to gain global experiences, both academic and cultural. Students can immerse themselves in a new culture, learn about different ways of life, develop their language kills, and participate in academic courses lectures or field trips.

VINUNI STRATEGIC FRAMEWORK 2023-2028

A. Education: Excellent in developing talents
B. Research:
- Pioneering in Impactful Research and Innovation: promoting impactful research and innovation at all colleges and centers

C. External Engagement - Community Services:
Leading in Vietnam for external engagement and community services
- Strengthen academic collaboration at top 100 prestigious universities in each focus area/target universities.
- Enhance collaboration with reputable Fortune 1,000 companies worldwide and the top 100 companies in Vietnam.
- Implement projects that positively impact the community and society, aligned with the 17 Sustainable Development Goals (SDGs).

D. Sustainable Financial Performance: Becoming sustainable in education

Partnerships towards Achieving Sustainable Goals in Action

1. Transformation, Green Growth for Nha Trang City and Khanh Hoa Province
Objective: VinUni to provide advice and support for Nha Trang – Khanh Hoa's transformation into a green, modern, and sustainable urban development, a city that offers a high quality of life and a conducive environment for both living and working for people.

2. Projects of Center for Environmental Environment Intelligence
Mission: Promote urban and rural development in harmony with environmental and public health protection, through technology integration and social co-design

3. Social Innovation Projects
Khanh Hoa People Speak English Project: A Community project sponsored by Vingroup and managed by VinUni to People Committee of Khanh Hoa province aiming at helping 1,6 million people of Khanh Hoa to be able to communicate in English on their daily life through bringing English into their real life and work. The purpose is to help Khanh Hoa's vision of becoming the city under Central Government in 2030 and a modern, dynamic, professional, classical and civilized city in Asia region up to 2045.

WHY VINUNI?

Ecosystem #01
VinUniversity is proud to be a part of the Vingroup ecosystem, largest ecosystem in Vietnam with market leadership across mutiple businesses. VinUni's commitment to providing students with opportunities to connect with reputable research institutes, pioneering industrial enterprises, and leading Vietnamese companies reflects its dedication to offering a well-rounded and industry-relevant.

Community of Talents #02
"Tell me who your friends are, and I will tell you who you are" - a well-known adage. By choosing VinUniversity, you have joined a community of talented individuals where you will meet amazing peers who will inspire you and professors who will challenge you to be the best.

Excellent Academic Programs #03
The entire curriculum, from design to quality validation, is supported by Cornell University and the University of Pennsylvania, two of the top universities in the United States.

Global Distinguished Faculty #04
You will get to learn from lecturers and professors who come from 14 countries who have rich experiences in teaching and possess in-depth work and research experience from leading universities around the globe.

Active Learning & English Speaking Campus #05
VinUniversity's teaching pedagogy is geared towards developing students into active problem-solvers through team-based learning, experiential learning, case studies, gamification, and simulation. VinUni is an English-speaking campus, inclusive, and diverse environment that sets us apart from public universities.

World-class Standards #06
Every aspect of the University, its curricula, research, faculty, student body, facilities, and campus life, is being developed to meet the highest standards set by the world's leading accreditation and ranking organizations, such as ABET, AACSB, Quacquarelli Symonds (QS) and Times Higher Education (THE).

Strong Industry Engagement #07
Students will gain strong industry perspectives and engagement through the courses, in-semester internship, summer internship, and by closely interacting with business leaders, and involvement in industry-specific projects and company visits.

Entrepreneurship Mindset #08
The Entrepreneurship Lab helps develop students' start up ideas and provides them with opportunities to interact with and learn from renowned experts and entrepreneurs.

Global Partnerships and Collaborations #09
VinUni proudly has strong global partnerships and collaborations with leading universities worldwide. These connections provide VinUni and international students with valuable opportunities for exchange programs, cutting-edge research, and exposure to diverse perspectives.

Commitment to Social Responsibility: #10
VinUni emphasizes social responsibility and community engagement. This commitment could be reflected in initiatives such as community outreach programs, environmental sustainability efforts, green projects.
